5SL

5JB

Trips and Visitors:

Visits to Parish church of St Peter and St Paul, Fuller Baptist Church 22nd April and 29th April

Visit to Salvation Army Citadel and Gurdwara 8th May

Online Safety Updates:

There are lots of different ways that children can talk to people online – messaging apps, on social media, and less obvious ways such as chat on online games. Talk to your child about who they are talking to and what they are sharing with them.

- Use settings to help limit who can contact your child.
- Remind your child that they shouldn't share personal information with people they don't know online.
- Let your child know they can come to you or another trusted adult if any conversation makes them feel uncomfortable.
- Listen to what they have to say and show an interest. They could give you a demo of their favourite app or show you their favourite YouTube or TikTok account.
- They will probably be able to teach you things you don't know! This will also give you an opportunity to chat about any safety settings they might already have in place.

Home Learning Expectations

- Read 10 minutes daily.
 - To practise spellings set.
 - To rehearse times tables daily for 10 minutes.
- (given table for testing on Friday, pre learned tables.)
