16th May- D>E>A>R>

WB 20th May- Walk to school week.

Online Safety Updates:

PlayStation

Does your child have a PlayStation? If so, have you set up appropriate parental controls? Some examples of the parental controls available are:

- Set age restrictions • Set daily limits, • Control chat and messaging • Set spend limits

How can I block/report other players?

If your child is playing with other players, then please ensure they know how to report/block other players and to tell a trusted adult if they do come across anything upsetting or that they are unsure of. This link details how to do this based on the device they have: <https://www.playstation.com/en-gb/support/account/block-players-psn/>

What games are suitable for my child?

PlayStation have included a list of games along with their age rating to help you find a game that may be appropriate for your child to play: <https://www.playstation.com/en-gb/editorial/great-ps4-games-for-kidsand-families/>

Whilst age ratings do allow you to see if a game may be appropriate, it is also important to review the game yourself and see if it includes additional features such as chat. This will allow you to make an informed decision as to whether it is suitable and if you need to apply further parental controls.
